Response to Amendment

1. Applicant's amendment was received on 8/16/05, and has been entered and made of record.
2. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

Allowable Subject Matter

1. **Claims 7-12, 33, 35 and 40-43** are allowed. These claims will be renumbered as 1-12.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest the limitation of the claimed controller for switching between a first mode of operation and a second mode of operation based on the comparison, wherein the printer responses to a printer server while operating in the first mode and the printer responses only to a printer driver residing on a computer different from the printer server while operating in the second mode.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
